**Planning Board Site Walk  
Saturday January 3, 2015 @ 9am**

**Willows 55+ Development  
Addison & Nesmith Roads (14-A-925)**

A site walk has been scheduled to review Case#2014-38/Minor Site Plan, which is to amend the previously approved residential site plan to not install the 2 freestanding signs at the road entrances, as well as not installing the trails, lights, benches and a bridge, that were part of the original approval due to privacy and safety concerns.

The site walk will start at the intersection of Addison Road and Cobblestone Road. This site walk is a public meeting and all are welcome to attend.
